### DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: [www.diverecorder.co.uk/online sheets](http://www.diverecorder.co.uk/online sheets) and follow the instructions, or
- if you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: [www.diverecorder.co.uk/dive/android](http://www.diverecorder.co.uk/dive/android)

As soon as you complete either on-line submission method you will see a success/failure message.

If you experience problems and need assistance please contact Ann Barker [annbarker@aol.com](mailto:annbarker@aol.com)

**Electronic submissions must be made by no later than Midnight on 9<sup>th</sup> April.** You will be asked to sign hard copies of these sheets at the venue, available from the recorders. If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders. **The deadline for manual dive sheets is at the Technical Meeting.**

- In the final the divers will perform their optional dives, competing in the reverse order of their preliminary rankings, and the final result will be determined by adding their score from the final to that of the required dives total from the preliminary.
- No dive may be repeated in a list of dives. All dives in the preliminary and final, including that of the carried required dives must be of a different dive (dive number).

## GB Diving Events – Competition Format/Regulations

(See also, General Conditions)

- *All dives of the same number shall be regarded as the same dive.*
- *Only dives in the FINA diving tables or pursuant with the FINA formula may be executed.*
- *The diver and the diver's representative are responsible for the accuracy of the statement in their list and the statement of dives shall be signed by the diver and the diver's representative.*
- *Medals shall be awarded in all GB Diving Championships and Competitions to the first three placed divers in each competition and where different, to the first three placed British divers (see General Conditions for definitions of British).*
- *Please consider the following clauses carefully when selecting events for your divers.*

## Eligibility

To dive Synchro at any GB event, both members of the pair must be diving at least 1 individual event at that Meet.

\*Qualification Scores are set by a National Technical Panel and reviewed annually. All scores continue to be recommended scores for **2019**, however it is strongly advised that all coaches encourage their divers to achieve their required score at one or more of the events below:

>>Regional event

>>Last year's National event (as long as they remain in the same age group)

If a diver is not demonstrating the minimum standard of performance, the coach to the diver may be engaged by a member of British Diving Management and the event referee to discuss the most suitable performance level for the diver in the future.

## General Competition Conditions for ASA and BS Diving Competitions

- 1: A diver may compete at Skills Finals and Swim England Diving National Age Group Championships in a given year if they have been a registered competitor for less than 2 years. If a diver is in their 3<sup>rd</sup> season or more of competitive registration they may only complete in one event: Skills finals or Swim England Diving National Age Group Championships.
  - 2: Once a competitor has competed at Swim England Diving National Age Group Championships, they are excluded from competing at future Skills finals, except with written approval from the Group when moving into the B+ age group.
  - 3: If a competitor has competed at British Elite Junior Diving Championships they are not eligible to compete at the future Swim England Diving National Age Group Championships, except with written approval from the Group when moving up an age group.
  - 4: If a competitor has competed at any GB Diving Championships in any event (including synchro), they are not eligible to compete at future Swim England Diving National Age Group Championships.
- Failure to comply with these conditions will result in disqualification.

## Definitions

**Competing/competed.** *Divers are considered to be competing or to have competed at a certain level if they entered the contest – even if they did not dive due to injury or illness.*

For example, if a diver was entered for the GB Diving Championships, but did not dive due to injury they cannot compete at the Swim England Diving National Age Group Championships.

### PHOTOGRAPHY POLICY

British Swimming are well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within a British Swimming setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify of a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

British Swimming encourage all spectators and participants at British Swimming events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

British Swimming is committed to ensuring that all children who participate in British Swimming activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.

**BRITISH ELITE JUNIOR

This event **will be photographed**. Static images will be displayed on the British Swimming website [www.britishswimming.org](http://www.britishswimming.org). They will be used to promote the sport at this event and events in the future. In addition, British Swimming may use these recordings and images for the purposes of education and training, swimmer analysis, promotion, performance, development and selection and event analysis.

If individuals wish to refuse consent to static photography, please complete the Photography Refusal of Consent Form below and return to British Swimming Events Department.

If you, as a Parent/Guardian/Carer, have concerns about your child being photographed/filmed, please refer to the relevant Home Nation guidance document: Wavepower the ASA Child Safeguarding Policy and Procedures; YPlant the Swim Wales Child Protection Policy; Scottish Swimming Child Protection Policy. If you have any concerns in this area, please contact the Data Protection Officer
