

Coaching Opportunity

HEAD COACH - EDGE DIVING CLUB

Club Description

The Edge Diving Club is currently the only club in the Newfoundland and operates out of the Aquarena in St. John's NL. The Aquarena is the aquatic facility that is part of The Works multisport complex on the site of Memorial University of Newfoundland (<https://www.theworksonline.ca/index.php>). The club offers introductory diving programs up to the training of national calibre athletes. It is also active in the organization of diving competitions as well as fundraising activities to optimize the development of its members.

The Head Coach is responsible for the management of all diver development programming located at the The Works: Aquarena. In addition to program development and management, the Head Coach identify, select, train and oversee a team of coaches and instructors servicing the programs.

The primary objective of this role is to formulate and implement initiatives that will ultimately result in national championship levels of performance.

PROFILE OF DUTIES:

1. Work in collaboration with the Edge Coaching staff to optimize available resources, personnel and finances to promote and recruit exceptionally talented young athletes to take part in comprehensive high performance training program located at The Works: Aquarena.
2. Devise and implement a national level training program that will result in national podium performances by Newfoundland-based athletes.
3. Serve as Head Coach, providing national level training to a group of selected athletes who demonstrate potential to become national podium contenders.
4. Work with DPC and The Works Management to optimize resources and athlete services available through The Works.

QUALIFICATIONS:

- Be certified "Competition Development" or equivalent (NCCP)
- Have trained athletes at the National level
- Valid police record and vulnerable sector check
- Up-to-date National Lifeguard certification
- Small business or club management experience
