COACHES PRE-REGISTRATION – DEADLINE REMINDER

This is a reminder that the **deadline for completing the coach pre-registration process which now includes harassment and abuse online training, is October 31st**. You should already have received all the information regarding this process. If you haven't, please contact your provincial office as soon as possible.

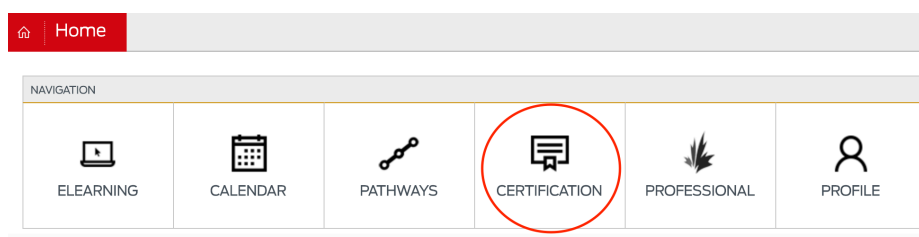

For any other questions regarding this process, please contact tracy@diving.ca.

NCCP PROFESSIONAL DEVELOPMENT POINTS

Professional Development Points occur in a five-year cycle, which means that many coaches will be completing a cycle in January 2020. DPC will be completing an audit of coach transcripts in November 2019 to add in any National workshop or training events.

Please ensure you have completed the following in order to maintain your active status (note that these steps cannot be completed by anyone except yourself).

A. Log into your **Locker** and go to **CERTIFICATION** to access your transcript.

If you cannot get into your locker and cannot access your transcript, please contact CAC directly for assistance.
Send email to coach@coach.ca or call Coach and Partner Services directly at 613-235-5000

B. Once in your transcript click on your **MAINTENANCE** tab (on the left) and look to see the following information below:

A screenshot of the 'TRANSCRIPT' page. On the left is a sidebar with 'TRANSCRIPT' and 'MAINTENANCE' tabs. The 'MAINTENANCE' tab is highlighted with a red arrow and labeled '1. Click on maintenance tab'. The main content area shows a 'Diving' transcript for a 'COMP-DEV' coach. It displays 'SINCE 8-OCT-2014 RENEWED' (circled in red) and '30/30 Points' (circled in red). A red arrow points from the '30/30 Points' to the text '3. Number of points needed in a five year cycle'. Below the transcript, a timeline shows 'MAINTENANCE' from 'Starts Jan 2015' to 'Expires Jan 2020'. A red arrow points from 'Expires Jan 2020' to the text '2. This date is the end of your professional development cycle'. The status 'Certified (Transferred)' is shown above the timeline.

**Please note that professional development points are accumulated for CERTIFIED coaches only. In training or trained status coaches are NOT REQUIRED to accumulate Professional Development points.*

PHOTOSHOOT DURING WINTER SENIOR NATIONALS

We wish to advise everyone attending the 2020 Winter National Championships in Saskatoon that a photoshoot will be taking place at the pool on Tuesday December 10th and Wednesday December 11th. This photoshoot is mandatory for everyone travelling abroad in 2020, as new portrait photos will be taken for visa and accreditation purposes. Photos will also be taken to update DPC's website and social media. Please note that the photographer will be on-site all day to accommodate your different training schedules. We are kindly asking you to plan for ten minutes or so per person for the photo session. Clothing will be provided by DPC.
