## HPAD EAST & WEST ASSESSMENT CAMPS

---

In normal circumstances, the invitations for the HPAD assessment camps would have been sent out around this time of the year. However, due to the pandemic and the various stages of return to sport taking place across the country, we are unable to finalize the dates, locations and format for these camps.

DPC is currently working on determining what will be the best option for these camps. We expect to send an update in early August with the dates, locations and format.

At this point, the plan is that they will take place in September and they will most likely be run in a different format.

Please share this message with any divers and parents that may be asking for this information.

We appreciate your patience and will get back to you shortly with more details.

If you have any questions or concerns, please contact [Andrée Pouliot-Deschamps](#).
