COMPETITION RULES:

General

The BC Diving Winter Provincials will follow the 2024 Canadian Junior and Senior National Dive Requirements for Groups A, B, C & D & Open. The Preliminary events in Groups C1, C2 & D1 & D2 will be the National Qualifying event (NQ). Only divers who meet all the requirements may enter their respective age group event preliminary event. There will also be a final for Groups C & D which will be the Provincial Championship event (PC).

Group A & B will follow the Junior National Dive Requirements. A & B groups will be a straight final at the Winter Provincials.

The Beauty and the Beast.

Prior to the competition divers will identify which 5 dives that will count towards this competition. The same five dives count in both rankings. One dive from each group (platform divers may replace any group with a handstand dive). You may choose dives from different events ie. Your list could be 10m 107B, 3m 205C, 3m, 301B, 1m 401B, 10m 5253B.

These five dives will then be used to determine two different rankings.

Raw score/Beauty rankings-Only raw judges scores are totalled to determine this rank.

With DD/Beast rankings- The total points including the DD will be used to rank divers for this.

At the end of the competition all divers participating Beauty and Beast will receive one final ranking which combines placement ranking in Beauty plus placement ranking in Beast to get an overall ranking. i.e.. 1st in Beauty and 3rd in Beast = 4 total points- lowest total is the winner etc.
