

## ENTRANCE AND ELIGIBILITY CRITERIA

---

Because this is the Olympic year, the Summer Nationals will be restricted to higher qualification scores. The Olympic Trials will take place within a Restricted Senior Summer Nationals. This means that some athletes may qualify to compete in the SSN event but will not be eligible for selection to the Olympic Team.

- SSN will be used for
  - selection to the Italy International AQUA event
  - scores will count towards achieving Level 5 on the DPC Performance Grid
- Olympic Trials will be used to select the Olympic Team
- Specific selections for each of these events can be found in the Coaches Corner

### 1. Criteria to Enter Olympic Trials/Restricted Senior Summer Nationals 2024

- a. Athletes representing Canada at an international event in 2023 or 2024 and have achieved the Level 5 score.
- b. Athletes earning an Olympic quota spot regardless of the score achieved.
- c. Athletes achieving an Olympic Trials qualification score at the 2023 SSN or 2024 WSN.

|  |           |            |
|--|-----------|------------|
| <i>Olympic Trials qualification scores</i> | <b>3M</b> | <b>10M</b> |
| <b>Women</b>                               | 300       | 300        |
| <b>Men</b>                                 | 400       | 400        |

### 2. Criteria For Eligibility for Olympic Team Selection

- a. Achieved a level 5 score at a recognized international competition in 2023 or 2024 in which Diving Canada has entered a team.

|                               |           |            |
|-------------------------------|-----------|------------|
| <i>Level 5 point standard</i> | <b>3M</b> | <b>10M</b> |
| <b>Women</b>                  | 295       | 295        |
| <b>Men</b>                    | 400       | 400        |
