## TRAVEL INFORMATION

### VISA-eTA PROCESS

Citizens of certain countries and territories need a visa or an eTA to visit or transit Canada.

Note. If you hold a passport other than Canadian or you are stateless, you need a visa to visit or transit in Canada. Canada has introduced a requirement for countries that previously did not require a visa to enter Canada. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals traveling to Canada by air. An eTA is electronically linked to a traveler's passport. It is valid for up to five years or until the passport expires, whichever comes first.

To find out if you need a visa or eTA please search this page: <http://www.cic.gc.ca/english/visit/visas.asp>

**More information on VISA and eTA requests linked to an event is available [HERE](#).**

**Invitation letter request form to LOC: <https://forms.gle/g3bJdk43k5GtcxaS6>**

Upon receiving your VISA-eTA assistance form, the LOC will provide visa assistance by issuing an invitation letter. **Please note that in the current context, we expect that issuing visas will take much longer than in the past and we urge you to begin this process as early as possible to avoid possible travel problems due to delays.**

**We, therefore, invite you to get in touch with us  
[as soon as possible to request your invitation letter.](#)**
